

How to create your Patient Portal

We have sent you a notification to your Email address that contains Instructions on how to create your Patient Portal. It's very helpful and it helps us better to communicate with our patient

IT'S A FEW EASY STEPS

After you have received our email notification please follow the instruction on how to create a Password. To access your Portal your ID will be your Email Address and the Password Will be the one you have just created. **PLEASE PAY YOUR BALANCE ON THE PATIENT PORTAL OR MAIL A CHECK TO THE OFFICE.**

- Next log on to our website Montgomeryfertilitycenter.com under book appointment click on the tab that says patient portal.

Once you clicked on the tab it should take you straight into the patient portal log in. It'll ask you.

Use your email and the password you have created to access your portal.
